MAKING AN IMPACT

This week our staff delivered the winter clothing you donated in recent weeks to Patrick Airlie School in Forest Lawn. As I began lugging in the 10 garbage bags full of stuff, the principal came running out of her office and said, "Oh, here come the FAC angels again." She was on the verge of tears as she told me what a difference this partnership has made to so many families from the school.

Sometimes we do these collections – backpacks, Thanksgiving food drives, winter clothing, shoe boxes, hampers, etc. – and we don't see the impact they make. It may seem like such a small gesture to throw a few items of clothing or a few canned goods or food items in a box as we walk into church, but **it is a huge deal to families who are struggling to clothe their kids or put food on their tables.** I just want to thank all of you for being a part of this new partnership; it is making a difference!!

Here are some upcoming ways we are planning to partner with Patrick Airlie School:

- A second Serve Day for painting classrooms
- White Elephant sale, giving students the chance to have gifts for their family at Christmas
- Christmas hampers prepared by GCA for families in need
- Sponsoring kids for Camp Chamisall next summer
- Transporting families to our church for our upcoming community Christmas event on December 7

- Al Hall, Community Impact Pastor
